

LAUGHING STOCK VINEYARDS

www.laughingstock.ca

2011 Chardonnay

Making a well-balanced Chardonnay is a challenge that requires a level of judgement and restraint to fully showcase the fruit characteristics balanced with fullness and finesse that only French Oak can impart. Blessed with outstanding fruit sourced from the Naramata Bench, this wine was whole cluster pressed for a fresh fruit profile.

This Chardonnay opens with a preserved lemon and honeysuckle nose. It has a fantastic balance between fresh acidity offered by all our 2011 whites and a fuller butterscotch and lemon meringue on the palate.
