2011 Blind Trust White

If you are really curious about the blend, just **blind taste the Blind Trust** and try to guess the varietals before disclosing the assets which are kept under wrap and seal of the capsule.

Caution: Spoiler ahead! This year's combination of varietals opens with a honeysuckle and lemon rind nose and brings together ripe apricot, green apple and key lime flavours. Nice mouth weight with balanced acidity.

43% Pinot Gris, 29% Pinot Blanc, 28% Viognier.
