### 2009 Portfolio

The 2009 vintage combines the five Bordeaux varietals: Merlot, Cabernet Sauvignon, Cabernet Franc, Malbec and Petit Verdot to create a multi-layered complex wine. In any new vintage, blending must showcase the strongest varietals and in 2009, Cabernet Sauvignon and Cabernet Franc came from behind to be the darlings.

*"The style is lavish, with succulent plum, cassis, dark chocolate, espresso and mineral, yet there's good structure coming from tight tannins and acidity."*
