

THE BLEND

LAUGHING STOCK VINEYARDS PORTFOLIO 2016

Wine Profile

Just like a finely balance stock portfolio, putting together a blended wine takes finesse and judgement so that the experience of the whole will be greater than the sum of the individual parts. Our Portfolio is a wine that marries the art and science of winemaking with a blend of Bordeaux varietals. For the past decade, Portfolio has routinely won top accolades from wine competitions and wine critics alike: a proven chart-topper.

Baked plum, red fruits and baking spice rise up from the glass like the TSX in a bull market. On the palette this wine is lively and powerful with fresh tobacco leaves, vanilla brioche, and cherry on the finish. This elegant blend has round tannins and a long finish with lots of aging potential. It is approachable now but could cellar for a decade.

Winemaking Notes

The 2016 vintage combines the five classic varietals: 51% Merlot, 24% Cabernet Sauvignon, 20% Cabernet Franc, 4% Malbec, and 1% Petit Verdot to create a multilayered, complex wine.

Using double sorting tables to sort grapes first by cluster and then by berry allows us to put meticulous attention on using only the best grapes in our wines. The fermentation takes place in stainless steel tanks as well as in oak. Portfolio sees 20 months in French oak barrels with 33% new French oak and 67% second fill French oak.

Harvest Date

Begin October 03, 2016

Aging

20 months in French Oak Barrels, 33% new, 67% second fill

Magnum \$109.99 plus tax & deposit

Double Magnum \$219.99 plus tax & deposit

Vintage Notes

The 2016 vintage started out with the earliest bud break on record in the Okanagan. The early spring had significant heat units which caused the vineyards to surge in growth. A more moderate summer helped to gain back some balance in the vines. Ripening was early but gradual as fall rains slowed down the pace at harvest. An early frost on October 11th created havoc for some other vineyards, but all our sloped sites were able to continue ripening till the end of October. Overall an exceptional harvest with a very long growing season meaning more time on the vines for the grapes to develop complex flavours.

Vineyards

Sourced from 3 sites on the Naramata Bench and from the Perfect Hedge Vineyard in Osoyoos.
